Awarded Best of Houzz 2025**

Annual award celebrates the top-rated and most admired home remodeling and design professionals across the global Houzz community

NASHVILLE, USA, February 13, 2025 – design by Christina Perry of Nashville, Tennessee has won a “Best of Houzz” award for Design, Customer Service, and Innovation on [Houzz®](#), the leading platform for home remodeling and design, empowering industry professionals and their clients with all-in-one project management and design software. The custom, professional interior design studio was chosen by the millions of homeowners that comprise the Houzz community from among more than 3 million active home building, remodeling and design industry professionals.

Best of Houzz is awarded annually in four categories:

- Design: Honors professionals whose work was the most popular among the Houzz community.
- Customer Service: Honors professionals for their overall rating on Houzz and positive client reviews for projects completed in 2024.
- Innovator: Honors professionals who win Best of Houzz Service, manage their projects with Houzz Pro software and are [Houzz Pro Certified](#) to provide a best-in-class client experience.
- Photography: Honors architecture and interior design photographers whose images were most popular among the Houzz community.

“Best of Houzz 2025” badges appear on winners’ profiles as a sign of their commitment to excellence. These badges help the more than 70 million homeowners and home design enthusiasts on Houzz to identify popular and top-rated home professionals for their projects.

“Best of Houzz award winners exemplify the highest levels of design, quality and customer satisfaction among residential construction and design professionals,” said Liza Hausman, vice president of Industry Marketing for Houzz. “This year, we’re excited to introduce a new category that celebrates pros using our award-winning software, Houzz Pro, to help deliver a standout experience to their clients. We congratulate this year’s winners and look forward to seeing their continued success.”
